

## Work at home, Caring for children

**Earn an income by caring for children in your home. Communities@Work Family Day Care Scheme is seeking people to provide child care in their own homes.**

Work with Communities@Work and you will have the support, coaching and mentoring of one of Australia's largest community based family day care networks.

From us you will receive training and resources to provide high quality child care. If you're interested in caring for children, working flexible hours and operating your own business from home, contact Communities@Work.
