

## **Working together as good neighbours**

The Fire on Saturday 10 April at Richardson Child Care and Education Centre has only strengthened an already wonderful community partnership that the Richardson Community Hub has nurtured over the last 12 months.

The Hub comprises a number of community programs operated by various stakeholders such as Communities@Work child care and parenting programs, the Richardson Primary School (which relocated the children from the child care centre during the clean up and repairs), Tuggeranong Child and Family Centre, Tuggeranong Link and the Richardson Support House.

The Richardson Hub staff are conducting a needs analysis survey today Friday 30 April at the Richardson Shops from 3pm – 5.30pm with activities for children, a free sausage sizzle and a chance to win a family hamper.

If you would like to find out more call 6293 6500 or go to [www.commsatwork.org](http://www.commsatwork.org)
